## UNDERSTANDING YOUR POLICY AND ITS IMPORTANT TERMS AND CONDITIONS

To properly understand this policy's significant features, benefits and risks you need to carefully read:

- About each of the available types of cover and benefits in the **“Summary of Benefits”** pages 7 to 8 and the relevant Sections of the policy wording applicable to the cover you choose including any endorsements under **“Additional Options”** and **“Pre-existing Medical Conditions”** page 11 to 13 (remember certain words have special meanings – see **“Words with Special Meanings”** pages 18 to 20);
- When **“We Will Not Pay”** a claim under each policy Section applicable to the cover you choose and **“General Exclusions Applicable to all Sections”** pages 35 to 37 (this restricts the cover and benefits);
- **“Claims”** pages 38 to 40 (these set out certain obligations that you and we have. If you do not meet them we may be able to refuse to pay a claim); and
- **“Important Matters”** pages 14 to 17 (this contains important information on your duty of disclosure, how the duty applies to you and what happens if you breach the duty, your cooling off period/money back guarantee, confirmation of your cover, our privacy policy and our dispute resolution process, extension of your policy, your policy excess, when you can choose your own doctor and when you should contact us concerning 24 hour medical assistance, overseas hospitalisation or medical evacuation.)

## APPLYING FOR COVER

When you apply for the policy by completing our application form we will confirm with you things such as the period of insurance, your premium, what cover options and excesses will apply, and whether any standard terms need to be varied (this may be by way of an endorsement). These details are recorded in the Certificate of Insurance we issue to you.

This policy document sets out the cover we are able to provide you with. You need to decide if the benefit limits, type and level of cover are appropriate for you and will cover your potential loss.

You should also read **“Claims”** pages 38 to 40 to understand how GST is applied to a claim.

If you have any queries or want further information about the policy, please contact Mondial Assistance.

## ABOUT YOUR PREMIUM

You will be told the premium payable for the policy when you apply. It is based on a number of factors such as your destination(s), length of journey, number of persons covered and additional cover options selected determine your risk profile. The higher the risk, the higher the premium is.

Your premium also includes amounts that take into account our obligation to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty and GST) in relation to your policy. These amounts will be set out separately in your Certificate of Insurance as part of the total premium.

## RELATIONSHIP WITH YOUR INSURER

Mondial Assistance has been authorised by Allianz Australia Insurance Limited (the Insurer) to enter into and arrange the policy, deal with and settle any claims under it, as the agent of the Insurer, not as your agent. Mondial Assistance acts under a binder which means that ETI Australia Pty Ltd can do these things as if it were the insurer.

## UPDATING THE PDS

We may need to update this PDS from time to time if certain changes occur where required and permitted by law. We will issue you with a new PDS to update the relevant information except in limited cases. Where the information is not something that would be materially adverse from the point of view of a reasonable person considering whether to buy this product, we may issue you with notice of this information in other forms or keep an internal record of such changes (you can get a paper copy free of charge by calling us).

## DATE PREPARED

Before you enter into this policy with us, the Insurance Contracts Act 1984 (Cth) requires you to provide us with the information we need to enable us to decide whether and on what terms your proposal for insurance is acceptable and to calculate how much premium is required for your policy.

You will be asked various questions when you first apply for your policy. When you answer these questions, you must:

- give us honest and complete answers;
- tell us everything you know; and
- tell us everything that a reasonable person in the circumstances could be expected to tell us.

If you vary, extend, reinstate or replace the policy your duty is to tell us before that time, every matter known to you which:

- you know; or
- a reasonable person in the circumstances could be expected to know,

is relevant to our decision whether to insure you and whether any special conditions need to apply to your policy.

You do not need to tell us about any matter that:

- diminishes our risk;
- is of common knowledge;
- we know or should know as an insurer; or
- we tell you we do not need to know.

## Who does the duty apply to?

Everyone who is insured under the policy must comply with the duty.

## What happens if you or they breach the duty?

If you or they do not comply with the duty of disclosure, we may cancel the policy or reduce the amount we pay if you make a claim. If fraud is involved, we may treat the policy as if it never existed and pay nothing.

#### 1.1 WE WILL PAY

- We will pay your cancellation fees and lost deposits for travel and accommodation arrangements that you have paid in advance and cannot recover in any other way if your journey is cancelled or shortened at any time through circumstances neither expected nor intended by you or outside your control.
- We will pay the travel agent's cancellation fees up to \$1,500 Single policy or \$3,000 Family policy when all monies have been paid or the maximum amount of the deposit has been paid at the time of cancellation. However, we will not pay more than the level of commission or service fees normally earned by the agent, had your journey not been cancelled. - We will pay you for loss of frequent flyer or similar air travel points you used to purchase an airline ticket following cancellation of your air ticket, if you cannot recover the lost points from any other source. The cancellation must be due to unforeseen circumstances outside of your control. We calculate the amount we pay you by multiplying:
  - The cost of an equivalent class airline ticket based on the quoted retail price at the time the ticket was issued, less your financial contribution;
  - By the total value of points lost divided by the total value of points used to obtain the ticket.

## Claims

---

### HOW TO MAKE A CLAIM

You must give us notice of your claim as soon as possible by completing the claim form supplied by our Client Services department and posting to the address shown on the claim form. If the claim form is not fully completed by you, we cannot process your claim. If you do not, we can reduce your claim by the amount of prejudice we have suffered because of the delay.

You must give us any information we reasonably ask for to support your claim at your expense, such as but not limited to police reports, valuations, medical reports, original receipts or proof of ownership. In some circumstances we may require you to provide us with translations into English of such documents to enable us to carry out our assessment of your claim.

You must co-operate with us at all times in relation to the provision of supporting evidence and such other information as we may reasonably require.

- a) For medical, hospital or dental claims, contact Mondial Assistance as soon as practicable.
- b) For damage or permanent loss of your Luggage and Personal Effects, report it immediately to the police and obtain a written notice of your report.
- c) For damage or misplacement of your Luggage and Personal Effects, caused by the airline or any other operator or accommodation provider, report the damage or misplacement to an appropriate official and obtain a written report, including any offer of settlement that they may make.
- d) Submit full details of any claim in writing within 30 days of your return.

### CLAIMS ARE PAYABLE IN AUSTRALIAN DOLLARS TO YOU

We will pay all claims in Australian dollars. We will pay you unless you tell us to pay someone else. The rate of currency exchange that will apply is the rate at the time you incurred the expense.

### YOU MUST NOT ADMIT FAULT OR LIABILITY

In relation to any claim under this policy you must not admit that you are at fault, and you must not offer or promise to pay any money, or become involved in litigation, without our approval.

### DEPRECIATION

Depreciation will be applied to claims for Luggage and Personal Effects at such rates as reasonably determined by Mondial Assistance.

### YOU MUST HELP US TO RECOVER ANY MONEY WE HAVE PAID

If we have a claim against someone in relation to the money we have to pay under this policy, you must do everything you can to help us do that in legal proceedings. If you are aware of any third party that you or we may recover money from, you must inform us of such third party.

## **IF YOU CAN CLAIM FROM ANYONE ELSE, WE WILL ONLY MAKE UP THE DIFFERENCE**

If you can make a claim against someone in relation to a loss or expense covered under this policy and you do not get paid the full amount of your claim, we will make up the difference. You must claim from them first.

## **OTHER INSURANCE**

If any loss, damage or liability covered under this policy is covered by another insurance policy, you must give us details. If you make a claim under one insurance policy and you are paid the full amount of your claim, you cannot make a claim under the other policy. If you make a claim under another insurance policy and you are not paid the full amount of your claim, we will make up the difference.

We may seek contribution from your other Insurer. You must give us any information we reasonably ask for to help us make a claim from your other Insurer.

## **SUBROGATION**

We may, at our discretion undertake in your name and on your behalf, control and settlement of proceedings for our own benefit in your name to recover compensation or secure indemnity from any party in respect of anything covered by this policy.

You are to assist and permit to be done, all acts and things as required by us for the purpose of recovering compensation or securing indemnity from other parties to which we may become entitled or subrogated, upon us paying your claim under this policy regardless of whether we have yet paid your claim and whether or not the amount we pay you is less than full compensation for your loss.

These rights exist regardless of whether your claim is paid under a non-indemnity or an indemnity clause of this policy.

## **RECOVERY**

We will apply any money we recover from someone else under a right of subrogation in the following order:

1. To us, our administration and legal costs arising from the recovery.
2. To us, an amount equal to the amount that we paid to you under the policy.
3. To you, your uninsured loss (less your excess).
4. To you, your excess.

Once we pay your total loss we will keep all money left over.

If we have paid your total loss and you receive a payment from someone else for that loss or damage, you must pay us the amount of that payment up to the amount of the claim we paid you.

If we pay you for lost or damaged property and you later recover the property or it is replaced by a third party, you must pay us the amount of the claim we paid you.

## **BUSINESS TRAVELLERS – HOW GST AFFECTS YOUR CLAIM**

If you are entitled to claim an input tax credit in respect of a cost for which a claim is made, or would be entitled to an input tax credit if you were to incur the relevant cost (i.e. in replacing a lost or stolen item), the amount we would otherwise pay will be reduced by the amount of that input tax credit.

## **TRAVEL WITHIN AUSTRALIA ONLY**

If you are entitled to claim an input tax credit in respect of your premium you must inform us of the amount of that input tax credit (as a percentage) at the time you first make a claim. If you fail to do so, you may have a liability for GST if we pay you an amount under this policy.

## **FRAUD**

Insurance fraud places additional costs on honest policyholders. Fraudulent claims force insurance premiums to rise. We encourage the community to assist in the prevention of insurance fraud. You can help by reporting insurance fraud. All information will be treated as confidential and protected to the full extent under law. Report insurance fraud by calling 1800 453 937.
